

Joining neighbors around life-giving activities in Southwest Atlanta, and outfitting people to follow the Way of Jesus in their own contexts.

Did you know that slavery still goes on in our city, in SW Atlanta? More than 250 girls are commercially sexually exploited a month in Georgia, and according to a 2005 Mayors report, many of this is hidden in our SW Atlanta neighborhoods. Come learn more about this issue and how to be part of the solution.

Drop in to an open house that will include "System of Chance" found-art exhibit by Andy Imm, as well as various interactive prayer stations and a short documentary viewing. Come for as short or as long as you'd please.
